I added your bullets to a version I had saved to the restricted share I drive folder to comment on Jody's bullets. How about we all add comments or additional bullets there from this point forward?

In the attached draft I added in a few bullets covering the economic impact analysis – including costs, benefits, and data sources.

Thanks Cindy, I re-worked the fourth bullet, and split it into two bullets/ideas, based on your comments.

Subject: U&O FIP

Hi there,

As you know, we had a consultation with the Ute Tribe last week on Deseret and the U&O FIP. There will be a follow up consultation in early January (targeting the week of January 11th), to further discuss the FIP. In preparation for that meeting, we need to put together some talking points, which I am working on. However, it would be helpful if I could get a few bullets from

Ex. 5 - Deliberative Process

FIP schedule/effective date. Jody and Cindy, did I miss anything? I would need the bullets, at the latest, by January 4th, since we will need to get them to Shaun a week in advance of the consultation.

Thanks,

Dec
